

ALGARKIRK WAR MEMORIAL

In the United Kingdom the scale of the loss of those serving with the military during the Great War resulted in the fact that there are very few towns or villages which do not have some sort of public memorial to commemorate their men and women who died in the First AND Second World Wars.

In grateful memory of the men of Algarkirk who laid down their lives in the service to their country for the cause of Justice and Liberty in the Great European War 1914-1918
