

1911 Census - Algarkirk

The census is taken every ten years and is a key document for any genealogist. When they survive they offer a snapshot into the life of your ancestors on a given day, and provide incredible detail as to location, age, marital status and occupation, as well as the details of any other occupants at the same address. Following the census back through time can be a great way to begin building your family tree.

Ref	Location	Name	Surname	Status	Age	Occupation	year of birth
	ROAD	CHRISTIAN	SURNAME		AGE		BORN
